Dear Staff:

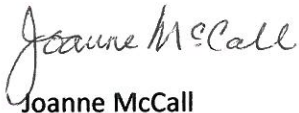

Please accept this check for \$500.00 for the wonderful service you have provided to Doris Thompson at 900 Grade Ave (Cowlitz Villa Apartments) over the past several years. Doris is my cousin and the family really appreciates the kindness of your staff when she calls you to help her when she has fallen.

Doris is currently at Hospice and we are hoping for the best for her.

We would like this donation to be designated to the fire station that serves her apartment complex and that the money be used for equipment or supplies of your choosing.

Thank you again for being there when she needs you.

Sincerely,

Joanne McCall
